Town Report Dedication

Doug Eugley

The Town of Sidney is honored to dedicate this year's Town Report to Douglas Eugley, who left us too soon in July of 2020.

Doug served the Town of Sidney for more than a decade as a Selectmen, a Town Meeting Moderator, a member of the Board of Appeals, a member of the Budget Committee, a member of the Sidney Athletic Association, and as a representative for the Kennebec Development Authority (First Park).

He elected to finish out his last term as Selectmen in 2015, to spend more time with his family whom he loved dearly. There was never any doubt in the minds of those who knew him that his family was his top priority. He was a devoted husband to his wife Colleen of 31 years, and very proud of his two daughters - Alexandra and Alyssa.

Doug was a member of the Fraternity Brothers at King David's Lodge #62 and Rural Lodge #53 in Sidney. He spent countless hours in act of service to his friends and community, especially those that benefited the Town of Sidney.

Doug was a valued member of this Town. He gave so much of his time to enriching Sidney. Doug's coworkers remember him as

being thoughtful and ready to help. “Doug was always willing to pass on his knowledge. He was patient and understanding with people who were new and just beginning to learn about working in a Municipality.” “He always was willing to hear both sides of the story. He didn’t just take one person’s word on a situation. He took time to get the full picture before he made a decision that affected the Town.” “Doug was a fun person to be around. You could talk to him about anything and he was always willing to listen or give advice if needed.”

Doug had the ability to have a lively discussion about any number of issues, and unlike so many, he was able to leave any conflict or disagreement within the confines of that discussion. He walked away on good terms. We could all learn a great deal from that quality. This is just one of the reasons why Doug will be greatly missed by his family, friends, and the Town of Sidney.

STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE

Dear Friends:

When I took the oath of office to become Maine's 75th governor, I never imagined that we would face a pandemic. But that is our current reality, and it is my solemn responsibility to guide our state through this unprecedented time to keep Maine people safe and healthy.

COVID-19 is wreaking havoc on our national economy, dealing heavy losses to businesses of all sizes, while millions of people find themselves newly unemployed. Here in Maine it has taken the lives of hundreds of people and sickened many more. While we all dream of going back to the way things were, the fact is that our lives will not return to normal soon. Instead, we have to invent a new normal – a different way of doing business, shopping, traveling, and enjoying the Maine outdoors – one that keeps us all safe.

My Administration, in collaboration with public health experts and business leaders across the state, developed a plan to gradually and safely restart Maine's economy. My Administration has also formed an Economic Recovery Committee charged with assessing the economic impacts of the pandemic on Maine's economy and providing recommendations for policy changes to deal with these impacts. Together, drawing on the hard work and resilience of Maine people, we will rebuild and strengthen our economy and rise from this unprecedented challenge a stronger state than ever.

I continue to be amazed by the strength and courage of the Maine people and businesses who have found different ways to do business and the brave first responders in your town and in our health care facilities. Thank you to the people of Maine who have demonstrated patience, kindness, and compassion during this difficult time.

Please take care,

Janet T. Mills
Governor

January 1, 2021

Dear Friends,

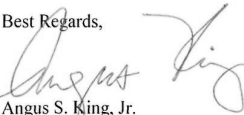

2020 was a year unlike any in our lifetimes. Our state and nation dealt with unprecedented challenges--the coronavirus pandemic, ensuing economic fallout, and a prolonged, heavily divisive campaign season each took a significant toll on all of us. The worst part? In order to protect each other, we had to face these challenges in isolation. But a new year represents new possibilities; a chance to take stock of what we're grateful for and focus on the opportunities in front of us. As we reflect back on 2020, we will remember heartbreak and loss – but we cannot forget the shining rays of hope that broke through the darkness, reminding us all that better days are ahead.

Throughout the pandemic, my top focus has been on bridging the partisan divide in Washington in order to deliver desperately-needed relief for Maine people. Joined by colleagues last March, we pushed for bipartisan negotiations to produce a strong bill that helped fellow Mainers, businesses, and institutions weather this storm. In the weeks and months after the *CARES Act* passed, our team stayed in close contact with people throughout the state to determine how we should adjust our response to best support our citizens. Unfortunately, the aid provided by the *CARES Act* lapsed without Congressional action, leaving too many families and businesses in limbo. I never stopped pushing for a bipartisan relief bill and, after extensive negotiations, we ended the year on a good note by breaking the gridlock and passing new relief legislation. This new bill isn't perfect; in fact, it should just be the start our renewed response. As we enter 2021 with a new administration and new Congress, we must fight for additional legislation to help restore stability to our working families and rebuild our economy and public health infrastructure.

In the midst of this crisis, Congress did manage to accomplish a few successes that will outlast this awful pandemic. Among these was the *Great American Outdoors Act*, a bipartisan bill which was enacted into law in August 2020 and will help address a \$12 billion backlog at our national parks so future generations of Americans can enjoy these beautiful lands and create lifelong memories. Also, as we learn more about the recent hacks of our nation's networks, there is help on the way: 27 of the cybersecurity recommendations made by the Cyberspace Solarium Commission – which I co-chair with Republican Congressman Mike Gallagher– made it into this year's defense bill. While there is no guarantee that these provisions would have prevented the massive hack, they will certainly improve our cyber defenses.

Despite the challenges, I'm hopeful for the future. Vaccines are being distributed across our state – starting with our healthcare heroes, who have sacrificed so much throughout this unprecedented catastrophe and deserve our eternal gratitude. If there can be a silver lining from these challenges of 2020, maybe it will be this: I hope that, in the not-so distant future, we will be able to come together physically and we will be reminded of our love for each other. We have differences, without a doubt. But as Maine people stepped up to support each other, we saw again and again that our differences pale in comparison to the values we share. We are one state, and one community – and there is nothing we cannot or will not do for each other. Mary and I wish you a happy and healthy 2021. We can't wait to see you soon.

Best Regards,

Angus S. King, Jr.

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to reflect on 2020, an incredibly challenging year for Maine families, small businesses, and communities.

When the pandemic struck, our country faced the specter of an overwhelmed health care system and devastation to our small businesses and the millions of people they employ. I immediately worked with Republicans and Democrats to pass multiple laws allocating approximately \$3 trillion to respond to this public health and economic crisis, including more than \$8 billion directed to Maine to support testing, schools, the economy, and other purposes — that is nearly double Maine’s annual state budget.

I am especially proud of the bipartisan Paycheck Protection Program (PPP) I co-authored. This program has provided three out of four Maine small businesses with nearly \$2.3 billion in forgivable loans, which has helped sustain more than 250,000 Maine jobs. I have met thousands of Maine small employers and employees in all 16 counties who are surviving because of the PPP. As one small business owner told me, the PPP provided “exactly what we needed at exactly the right time.” The PPP also allowed employers to maintain benefits, such as health care, during this challenging time. Another round of PPP is needed to sustain small businesses and their employees.

While the pandemic continues across Maine, our nation, and the world, I thank the first responders, health care professionals, teachers, grocery store employees, factory workers, farmers, truck drivers, postal employees, and so many others who continue to stay on the job during this difficult time. With the deployment of the first vaccines, better tests, and the incredible speed with which these life-saving responses were developed, I am hopeful we can emerge from this crisis in the next few months.

While providing relief to American families was my focus throughout 2020, other accomplishments include the passage of the Great American Outdoors Act, which provides full funding of the Land and Water Conservation Fund and addresses the maintenance backlog at our national parks, forests, and wildlife refuges. As Chairman of the Transportation Appropriations Subcommittee, in 2020 alone, I secured \$132 million to improve Maine’s roads, bridges, airports, buses, rail, ferries, and seaports. Finally, as Chairman of the Aging Committee, I led the reauthorization of the Older Americans Act, which funds programs that improve the well-being, independence, and health of our nation’s seniors and their caregivers, and I authored laws to reduce the cost of prescription drugs and protect individuals with Alzheimer’s disease.

As the end of 2020 is approaching, I have cast more than 7,535 votes, never having missed one. In the New Year, my focus remains to work with colleagues to find common ground on policies to help support the health and safety of Mainers and the safe, responsible opening of our communities. If ever I or my staff can be of assistance to you, please do not hesitate to contact one of my state offices. May the coming year be a successful one for you, your family, your community, and our state.

Sincerely,

Dear Friends,

I hope this letter finds you safe and well. I know that this year has been challenging for many of our communities. In the midst of these challenges, it remains a privilege to represent you, and I appreciate the opportunity to update you on what I have been working on in Congress for the people of the Second Congressional District.

The coronavirus pandemic has made this year an especially difficult one. We've seen the struggles of small businesses, workers and families, hospitals, and states and towns. COVID-19 has been a serious threat to public health that requires a comprehensive, ongoing response. In March, Congress passed the largest of three bipartisan pieces of relief legislation, the *Coronavirus Aid, Relief, and Economic Security (CARES) Act*. The *CARES Act* was a \$2 trillion economic relief package to provide immediate assistance for some of those hit hardest by the pandemic. While an important start, many of the programs and benefits created by the *CARES Act* were set to expire by the end of 2020 at a time when COVID-19 cases were on the rise. That's why in late December, Congress passed another bipartisan bill to provide COVID-19 relief to small businesses and hospitals, the unemployed, and families struggling to put food on the table. However, the action Congress took at the end of 2020 cannot distract from its failure to act sooner. The unwillingness of many members of Congress to accept compromise throughout the fall left many Mainers struggling and led to a rushed process that produced a bill with serious flaws. In 2021, Congress needs to step up, come together, and lead the country through this pandemic and get our economy back on track.

There are a few bright spots that came out of the work done by Congress this year. As a member of the House Armed Services Committee, I helped advocate for a national defense bill that would include important priorities for American national security, Maine shipbuilders, and servicemembers and their families. The legislation authorizes a new DDG-51 Arleigh Burke-class destroyer to be constructed at Bath Iron Works and helps BIW compete for new work by encouraging a new multi-year procurement process for the DDG-51 Flight III. This funding bill also makes permanent new federal guidelines proposed by Senator King and me to allow Gold Star Families free admission to national parks and other federal lands.

I've been working to improve mental health services for veterans for years, and I led the Maine delegation's effort to address the need for long-term mental health substance abuse treatment for veterans in our state. This past fall the Veterans Administration announced we were successful. Construction starts next year on a new, 24-bed facility at Togus that will ensure Maine veterans won't be sent out of state to receive residential care for substance use disorder and associated mental health issues. This is one result that I am especially proud to deliver for my fellow Maine veterans.

As I reflect upon what I am most grateful for this year, I am especially glad to be able to share that my wife Izzy and I are expecting a baby in 2021. We are excited about this new addition to our family and look forward to the blessings ahead.

This period is challenging for Mainers as we all take steps to limit the spread of the coronavirus, protect our families and our communities, and lean on each other to withstand this pandemic and economic hardship. My staff and I stand ready to assist Mainers as we work through these challenges together. I look forward to continuing to work on your behalf in 2021.

Respectfully,

Jared Golden

Dear Friends,

2020 has been a year of unconscionable loss and hardship. The COVID-19 pandemic has ravaged our nation, magnifying long-unaddressed inequities. I hear daily from constituents whose lives have been upended by the pandemic. As we navigate these ongoing challenges, my top priority in Congress has been to advocate for the resources Maine residents, businesses, and institutions need to weather this crisis.

In March, the CARES Act was signed into law, providing much-needed relief to Mainers, including expanded unemployment benefits, stimulus checks, grants and loans for small businesses and nonprofits, and funding for health care providers on the front lines of this crisis. As this crisis wore on, I saw increased need; that's why I voted for the Heroes Act in May and again in October to provide further support. I'm relieved we passed another relief package at the end of December, but I know another round of support is still much needed in the coming year.

The pandemic isn't the only crisis we face. Climate change threatens Maine's environment and industries. This summer, the Gulf of Maine recorded its hottest day, and we experienced the longest, most severe drought in 20 years. Maine farms continue to be stymied by climate change, but they can also play a crucial role in combatting it. In February, I introduced the Agriculture Resilience Act to ensure American agriculture is net-zero by 2045. The release of Maine's Climate Action Plan is a major step in the fight against climate change. I will continue to work with state leaders to ensure they have federal support to achieve this agenda.

2021 will offer different challenges. We must distribute a vaccine to millions, restore jobs, uplift the economy, and repair the divisions that undermine our ability to make meaningful change. I look forward to working with the incoming presidential administration to meet these challenges and emerge as a stronger, more resilient nation.

As always, the needs of Mainers guide my work as we recover from this crisis. If there is anything my office can do to help, please reach out.

Sincerely,

Dear Friends and Neighbors:

Let me begin by thanking you for allowing me the honor of serving you in the Maine Senate. I am grateful that you have put your trust in me and can assure you I will continue to work tirelessly on your behalf.

As you are no doubt aware, Maine is in the midst of the one of its greatest difficulties, both in public health and economic downturn. The 130th Maine Legislature faces the challenge posed by a \$1.4 billion budget shortfall, and perhaps more than ever before, state government must learn to live within its means.

As we move through the Legislative session I will be mindful of this and will do my best to hold the line on any new taxes or unneeded borrowing. Like you and your family, state government must tighten its belt in slow economic times and make the difficult, but necessary decisions that will allow us to weather the storm.

At the same time, it is very important that we restore a sense of balance in state government where both the Governor and the Legislature work together on behalf of you, our constituents. This is even more important given the unusual nature of how and where this Legislature will meet, given the safety considerations required by the global pandemic. However the legislative process plays out, it is imperative that the public continue to have access to and play a critical role in the work of the Legislature. These will be a few of my priorities this coming year.

In addition to working on these important issues, I look forward to serving as the Assistant Senate Republican Leader and serving on the Taxation Committee.

Again, thank you for electing me to serve you in the State Senate. The 130th Legislature certainly has a great deal of work to do, but I believe that if we come together, there is nothing we can't accomplish. Please feel free to contact me at 287-1505 or matt.pouliot@legislature.maine.gov if you have comments, questions or if you would like assistance in navigating our state's bureaucracy.

Dear Friends & Neighbors,

These are truly unprecedented times for our state and nation. Our patience and character are continually being tested during this period of social unrest. Accordingly, I am honored by the opportunity to serve as your representative in the Maine Legislature, and I welcome your thoughts as we continue to weather this pandemic together. The coming months of State governance will unfold unlike any other period in our 200-year history. Now, more than ever before, is the moment for leaders to pull together in the best interests of those we serve.

For the 130th Legislature, I have again been assigned the ranking member of the Joint Standing Committee on Transportation. This panel oversees the Department of Transportation; the Bureau of Motor Vehicles; motor vehicle registration and license plates; drivers' licenses; driver education; the Maine Turnpike Authority; the Highway Fund; transportation policy; public transportation; aeronautics; highway and bridge construction and maintenance; highway safety; traffic regulation; waterways; railroads; the Department of Public Safety, State Police; and motor vehicles and motor carriers. As much of our work will likely be done virtually, I encourage you to monitor proceedings via the new YouTube channel, which can be found at <https://www.youtube.com/c/MaineStateLegislature/channels>.

Undoubtedly, the biggest agenda item for lawmakers during the First Regular Session is the biennial budget. The \$8.394 billion two-year financial plan will be heavily scrutinized over the weeks and months ahead. I look forward to collaborating with my colleagues to make certain every dollar sent to Augusta by you, the taxpayer, is used as efficiently as possible.

Thank you for the opportunity to serve the good people of District 77. If you have an interest in receiving my regular e-newsletter, please send along your email address so that it can be added to my distribution list.

Best wishes,

Michael D. Perkins

Selectmen's Town Report

2020 brought many changes to the world, as the pandemic affected everything for everyone. Businesses have closed, students are now remotely learning, and we all find ourselves wearing masks as the new normal. The Town Office had to make many changes as well. We postponed our Town Meeting, closed the office to walk-in traffic, installed glass partitions, and have had to hold conference calls or Zoom meetings. We are coming closer to being able to resume life as we once knew it, but still have a long way to go.

Many other changes took place during 2020 for the town. Residents may have noticed a lot of new faces now working in our offices, and we have had to said goodbye to multiple long-term employees as they moved on to the next chapter of their lives. Join us in welcoming Desiree Hersom as the new Administrative Assistant, Joyce Ryan as the new Town Clerk, Lezley Sturtevant as the new Treasurer/Tax Collector, Lisa Klein as our new Deputy Clerk/Treasurer and Zack Jurdak as a new member to our Road Crew. We wish nothing but the best for those who have left – Deborah Mullen, Winnie R. Kinsella, and Sheila Thorne.

With all the changes going on in the world and our town, many of you might have noticed the housing market change. We have an article on the warrant this year asking for a complete re-evaluation of all town property to get us back to 100% valuation. Currently we are barely holding at 88% and allowed a 10% leeway with the State, but the difference hurts the town with our property tax exemptions that many residents receive such as the Homestead and Veterans Exemptions.

The Fire and Rescue Department are also asking for an upgrade to Tank #7, to ensure many more years of use.

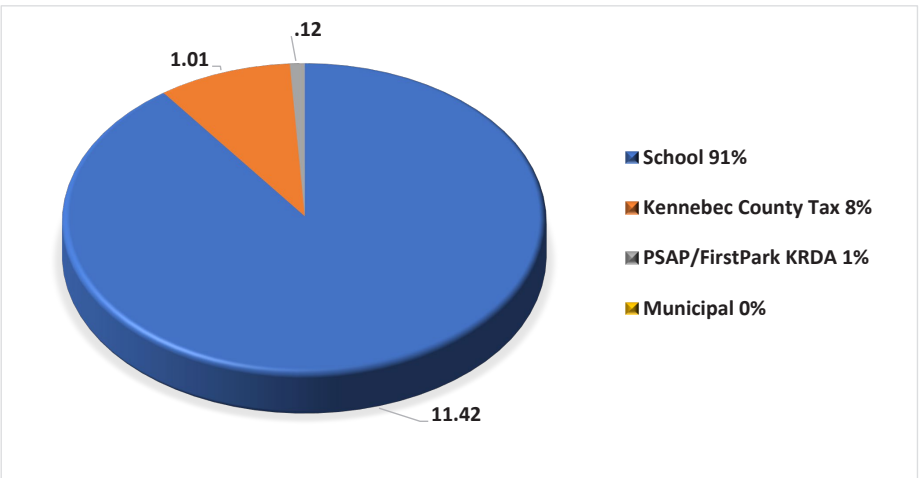

As the town continues to grow the Board remains committed to managing the demands of this growth and meeting the needs of the residents and town. As has been historically done, the Board will continue to do its best to keep the tax mil rate as low as possible.

The Board would like to sincerely thank all those who volunteer and help on all the various committees the town has, including our dedicated Fire and Rescue Teams. The town would not be able to accomplish as much as it does without the willingness of people to give their time and energy above and beyond their already busy, daily lives. A huge thank you to all the employees that give so much to ensure that all town residents receive the best service possible.

TOWN OF SIDNEY
7 Lakes Alliance Annual Report

Town funding supports the lake conservation work in the Belgrade Lakes region. The Town's support is critical to the success of the local erosion control program, and is used to leverage funding from other sources. 7 Lakes Alliance **Youth Conservation Corps** program serves all 13 towns that comprise the 180 square mile Belgrade Lakes watershed. Fourteen square miles of Sidney, nearly a third of the town, are located within the watershed. An investment in lakes is an investment in keeping taxes low and in maintaining local jobs. Clean lakes support the economy and a significant portion of the tax base of our region.

7 Lakes Alliance **Youth Conservation Corps** erosion control program (to prevent algal blooms and improve water quality):

- Has, since 1996, completed 1,625 projects, the largest such program in Maine.
- Employs high school and college-aged young people.
- Funding provided by homeowners, towns, lake associations, private donors, and businesses.

These conservation projects include installation of native, woody shrubs to enhance shoreline buffers, infiltration trenches to eliminate runoff gullies, infiltration steps to eliminate eroding pathways, and riprap to remediate eroding shorelines, among other Best Management Practices.

Thank you for your past generous support of our Youth Conservation Corps program (YCC) in the Belgrade Lakes region. In the 2020 summer season, 7 Lakes Alliance Youth Conservation Corps completed more projects than we could have expected given the coronavirus pandemic. The YCC provides high school and college students summer employment working to protect the water quality of the region by decreasing soil erosion.

7 Lakes Alliance **Youth Conservation Corps** review of 2019:

- Installed 119 erosion control Best Management Practices (BMPs) in the Belgrade Lakes Watershed. Projects were completed on all 7 lakes, prioritized by impact on lake water quality.
- In 2019, the YCC employed 12 high school and college-aged youth.

7 Lakes Alliance **Youth Conservation Corps** accomplished in 2020.

- Installed 25 erosion control BMPs in the Belgrade Lakes Watershed. Projects were completed on all 7 lakes, prioritized by impact on lake water quality.
- In 2020, the YCC employed 5 high school and college-aged youth.

Laura Rose Day, President & CEO

SIDNEY FOOD CUPBOARD REPORT

The purpose of the Sidney Food Cupboard/Pantry is to serve the basic food and household needs of our neighbors, the residents of Sidney, Maine with caring and understanding. We are located on West River Road next to the Second Baptist Church in the old parsonage and directly across the street from the fire station. We are open the second and fourth Wednesdays of each month from 9 AM to 12 Noon. Families who are unable to utilize the pantry during our regular hours or want to know more about the "Pantry" are encouraged to call the Town of Sidney Office at (207) 547-3340 or 3159.

We obtain food from the Good Shepherd Food Bank, USDA, food drives and donations of food and money from the public. Monetary donations are used to purchase food and household necessities from local stores and the Good Shepherd Food Bank.

We are an all-volunteer organization, neighbors and friends working together to provide food assistance to our neighbors in need. Currently we have eleven volunteers who help with grocery shopping, restocking shelves, picking up food that comes from Good Shepherd Food Bank and USDA, ordering food and distributing food on pantry days. Volunteers also do the administrative functions of record keeping, checking clients in, new intakes, annual filing of reports and making sure paperwork is up to date. As a result of the social distancing required because of Covid-19, we are assembling the food for our clients and placing it in their cars. We are very fortunate to have our volunteers: Carmen and Roger Bedard, Linda and Tom Bragg, Helen and Scott Davis, Richard Guzman, Linda Hall, Maureen and Tom McAvoy and Ernie White.

We would like to thank The Sidney Second Baptist Church (our sponsor), The Town of Sidney and the people in our town who have contributed to our pantry and are responsible for making it a success. Your support ensures that we will continue to provide this vital service!

Respectfully Submitted,
Linda Bragg

REPORT OF THE FIRE CHIEF

To the residents of the Town of Sidney. The year of 2020 has proven to be a very trying year, like no other year for the Sidney Fire Department due to COVID. Due to COVID protocols one of the hardest things was shutting the Fire Departments down to all public access. This was to ensure the safety of the public and safety for all members.

Even with the COVID protocols Sidney Fire Department still responded to calls when needed and also responded to mutual aid towns for structure fires. The fire department followed all guidelines set by CDC to ensure the safety of all.

Sidney Fire Department would like to take time to thank the Board of Selectpersons and especially the town residents for purchases that were not expected due to COVID-19.

There were times it became very difficult to purchase the personal protective equipment to minimize the exposure to the virus.

Fire Department Officer Core for the year 2020 were:

Chief Richard Jandreau

Captain Kevin Bacon, Engine Company 1

Captain Dave Groder, Engine Company 3

Lieutenant Mike Carney, Engine Company 2

The department welcomed 5 new members in 2020:

Rescue Chief Dan Courtemanch, completed fire fighter 1 & 2 training

Noah Cummings, is in fire fighter 1 & 2 training

Jeremiah Yannelli, is in fire fighter 1 & 2 training

Gavin Dorr

I would like to thank all my officers and firefighters for going above and beyond during the difficult times due to COVID. You held yourselves to a higher standard and responded to emergency calls for the town's residents, knowing anyone of us could be exposed to the virus.

The Sidney Fire Department would like to thank the residents of Sidney who generously made donations to the Fire Department which we use for long extended fire calls to be able to feed and supply drinks to the members of the department for rehab.

REMEMBER TO CHANGE YOU BATTERIES IN YOUR SMOKE AND CARBON MONOXIDE DETECTORS!!!!!!!!!!!!

Sidney Rescue responded to medical emergencies, motor vehicle accidents and assisted the Fire Department at fire calls. This year we also had one new Paramedic join the team.

We would like to thank all of the Firefighters who responded to medical calls with us and the townspeople for their continued support.

Please take a minute and make sure that your house number is clearly visible from the road. This is how we find your house in the event of an emergency.

Narrative

Sidney Trail Riders Snowmobile Club this past year has had the highest record of people attending the monthly club meetings. It is nice to see the community coming together to support the efforts needed to sustain the local trails. The feedback and input at the meetings are greatly appreciated. Even though we have seen an increase in club meeting attendance we would love to see more of you. Club meetings are the 1st Wednesday of the Month, October through April at the Sidney Grange Hall. Areas of concentration his past year have consisted of continued bridge work and the overwhelming amount of limbs and broken branches throughout the whole trail system. We have also refreshed signage throughout the trail system. Volunteers have spent tireless hours of manpower with chains saws, hand saws and community members have joined in with excavators and their own equipment to help. Get involved while enjoying the trails. We appreciate the continued support of our members, the landowners, and those few who took time to volunteer. As always ride right, respect the landowners and stay safe on the trails. Respectfully Submitted: Tonya Philbrick, Treasurer

SIDNEY HISTORICAL SOCIETY ANNUAL REPORT

Our Research Center/Museum (located south of the Town Office in the Grange Hall Basement) is open from 1 to 4 every Tuesday. We have had several visitors during the past year who we helped find their Sidney roots. We have added several volumes to our historical and genealogical library. Please stop by and say hi on any Tuesday; we always love to have visitors. We are also open by appointment for those who cannot make it on a Tuesday afternoon.

We have continued to add to our collection of Veterans Photos. The collection is closing in on 100 individual photos. There are photos of veterans of all the major conflicts from the Civil War up to the present time. We continue to research those veterans who fought in the Revolutionary War as well as their families who lived in Sidney. Please, if you have photos of veterans that we may not have, contact us, we would love to scan them and add them to our collection.

The Historical Society produces a calendar each year from our collection of historical photographs from Sidney. They are available at the Town Office throughout the year. The 2020 edition is available at the town office or through the Historical Society at the Grange Hall. We are always in need of additional photos of "Sidney as it used to be." We do not need to keep your photos! We will scan them and return them to you.

It is with great pleasure that we can report that the Historical Society has remained on solid financial footing during the past year. Thanks to all who have donated to the Society through the year.

The Newsletter editors, Sue Lauria and her husband "Deo" have done an outstanding job. If you have any interesting stories from "long ago" or even "not so long ago" we would be very grateful for submissions to the Historical Society for inclusions in the newsletter.

We have been unable continue to sponsor presentations on the second Tuesday of the month at 2pm due to Covid-19 restrictions. We hope to return to our presentation schedule by the latter half of 2021. Only time and vaccinations will tell!!

Last year we were unable to have a parade on Memorial Day or hold our normal ceremony honoring those who served our country in the armed forces on Veterans Day, November 11th.

Please be sure to visit our website at www.sidneyhistoricalsociety.org

The Sidney Highway Department has included information for the correct installation and maintenance of mailboxes along roadways. As in the past we continue to include the Town of Sidney's Mailbox Policy for Sidney Roads in this Annual Report. Please find the mailbox information following this notice.

Snow in Roadways

The Sidney Highway Department would like all property owners to be aware of the safety and legal issues of putting snow in roadways and covering culverts. Due to many issues we encountered during the winter, we are sharing the following information released by the Maine Department of Transportation and Marc Guimont (MDOT's Director of Maintenance and Operations), December 1997:

“PUTTING SNOW IN ROADWAY IS ILLEGAL AND UNSAFE”

“As you are clearing your driveway after the next snowstorm, the Maine Department of Transportation wants you to remember that it's unsafe and illegal to dump the snow into the road for the State or local snowplow to move for you.”

Despite State statute found in 29A MRSA § 2396, “State and municipal snowplows routinely encounter situations where someone has plowed, snow blown, or even shoveled snow from a driveway into the road instead of disposing of it safely and properly.”

“The law making those actions illegal was passed to protect the driving public. Drivers encountering snow plowed from a driveway onto an otherwise clear or lightly-covered roadway stand a good chance of losing control of their vehicles when they hit the accumulated snow. Snow pushed, blown or thrown from a driveway could lead to an accident that puts someone in the hospital, or worse.”

State and municipal departments have the option of asking for State and local police assistance if they are constantly dealing with snow deposited into the roadway and over culverts. However, we would rather remind people about the serious problem that this causes before an accident occurs. Therefore, as you clean snow from your driveway, please be sure to remove any snow pushed into the roadway and please do not plow over the end of culverts. Thank you for your cooperation.

Town of Sidney Mailbox Policy for Sidney Roads

Adopted by the Board of Selectmen February 23, 2015

For convenience and practicality, mailbox installations have been allowed within the right-of-way of Sidney's roads; however it is important to recognize that such installations have two very important conditions:

- The mailbox must be installed in accordance with applicable standards to ensure that mail can be delivered and that the mailbox does not create an obstacle or safety hazard to those that use or maintain the highway, and
- The mailbox is installed entirely at the owner's risk. In other words, if the mailbox incurs damage during any sort of highway operations or maintenance, the property owner is not entitled to replacement or compensation. In fact, if the mailbox was not installed in accordance with the applicable standards as stated above, the owner may even be held liable for injuries or damages that may have been incurred as a result.

Mailbox Design

Mailbox design and installation standards are available from several sources, and mailbox owners are expected to consult this information prior to undertaking any mailbox installation or replacement. The following standards have nationwide relevance and were developed in cooperation with one another:

- The United States Postal Service (USPS) Mailbox Guidelines. The USPS defines the standards for mailbox construction, as well as the placement tolerance that must be met to accommodate postal operations. Specifics may be obtained from the local post office or online at: <https://www.usps.com/manage/know-mailbox-guidelines.htm>
- American Association of State Highway and Transportation Officials (AASHTO) Roadside Design Guide. The AASHTO Roadside Design Guide, Chapter 11: *Erecting Mailboxes on Streets and Highways* deals with the safety and construction of privately owned mailboxes, mailbox supports, and mailbox turnout designs and is less focused on postal operations. This publication may be obtained online through the AASHTO Bookstore at: https://bookstore.transportation.org/Item_details.aspx?id=1807

The Town of Sidney has developed this policy to promote compliance with these national standards and to help further clarify the expectations and responsibilities of Sidney mailbox owners to improve the safety of our roads and highways. The following pages further specify the details associated with the mailbox height, location, offset, and post type to minimize the potential hazards associated with mailbox installations and to reduce the opportunities for damage to mailboxes.

Mailbox Installation Standards

- **General Location:** Whenever possible, mailboxes should be located after the driveway opening. This location placement improves visibility, minimizes the amount of snow that comes off of the snow plow, and improves the approach for the mail carrier. The diagram below further clarifies this preferred placement:

- **Mailbox Support Design:** It is best to use an extended arm type of post with a free-swinging suspended mailbox. This allows snowplows to sweep near or under boxes without damage to supports and provides easy access to the boxes by carrier and customers. The following picture shows a free-swinging suspended mailbox:

- **Offset:** Mailboxes should be set back from the edge of the shoulder – regardless of whether the shoulder is gravel or paved. In other words, the face of the mailbox should be at least **one foot (1')** back from the edge of the normally plowed surface of the highway or the face of curb. Greater offset distances are encouraged whenever possible to allow the mail carrier to get further out of traffic and to further minimize potential damage to the mailbox. The following picture shows a mailbox with a reasonable offset:

- **Height:** According to USPS standards, a mailbox must be installed with the bottom of the mailbox located between 41” and 45” high above the surface of the highway shoulder. The Sidney Public Works Director recommends that this height be closer to the 45” measurement to minimize conflict with the height of the plow truck wing when snow is being pushed back during, or between, winter storms. The following picture further clarifies the height considerations:

- **Post Size, Type and Embedment:** Mailbox posts must be sturdy enough to hold up the mailbox in all types of weather conditions, however they cannot be so rugged that they present a hazard to vehicles that inadvertently leave the road. If a mailbox support is struck by a vehicle, it must easily break away. Therefore, the following types of posts are deemed acceptable:
 - **4" x 4" wooden posts embedded 2 feet** into the ground. Larger wooden posts may be used only if the post is drilled through with an appropriate spade bit to create a shear plane that is no higher than 6" above the surface of the surrounding ground. The number and size of the drilled holes depends upon what is necessary to bring the cross-section of the larger post down to the equivalent cross-sectional area of a standard 4" x 4" post. (MaineDOT Standard Specification 606.06)
 - **1" to 2" round diameter steel or aluminum pipe or standard U-channel post embedded 2 feet into the ground.**
 - Unacceptable mailbox supports include: anything that is filled with concrete, masonry and stone structures, heavy steel structures, and most objects that were intended for other uses (e.g. antique plows, I-beams, and various other household tools and objects).

NOTICE: Mailboxes, attachments or support systems not consistent with this policy are considered "Deadly Fixed Objects" (also known as "DFOs") and are in violation of 23 MRSA §1401-A. As such, when these installations are recognized by the Sidney Road Commissioners, the owner will be informed of the hazard and immediate removal will be requested. If the property owner does not comply with this request, the Sidney Road Commissioners may elect to have the installation removed and seek reimbursement from the property owner for all costs incurred.

This "Mailbox Policy for Sidney Roads" is hereby adopted by the Sidney Board of Selectmen to be effective immediately upon signing and will remain in effect until revoked or amended.

Given unto our hands this the 23 day of February, 2015.

Every January, as we move into a new year, I send an update to our towns. Like everything else this year, this has been a little more challenging to write. I know there will be people reading this whose lives were tragically impacted by this terrible pandemic. Some may have been sick themselves or feel isolated. Other may have lost people they care about. All of us have a sense of loss due to putting major aspects of our lives on hold for more than a year. On behalf of our entire district, I hope everyone in our community is doing well. Please, if you are still struggling you are not alone. Reach out for help.

Throughout the last year, I have seen so many examples of people stepping up to meet the unique challenges we have faced. When students were hungry at home, we delivered food. When people needed technology to connect, we provided it. When people needed our schools to open, we put in the herculean effort to make that happen. When people wanted the opportunity to learn from home, we made it available. Our students and staff have been safe in our schools, and the education of our students did not suffer.

All year long students in each of our schools have done amazing things. I have watched students and their teachers stand in the cold singing because of their love of music. I met with a group of impressive students (remotely) as they worked to start a new club at the high school for online gaming. I watched classes tap into authors and guest readers in our community and from around the country to inspire the love of reading in our students. I watched teachers stretch learning outdoors with some of the most creative math and science lessons I have ever seen. I watched athletes relish in the ability to just play their sport, regardless of playoffs or fans. These things happened every day.

Early in the year when I was sitting in (remotely) on a class, I witnessed an exchange that I want to share. A teacher, who was admittedly terrified of technology, was attempting to run a class with both in-person and remote students. It was not going well, not even close. The first person to offer help was a student. The young lady gave the teacher advice, quickly solved some of the tech issues, and acted as tech support and assistant for the entire time. What could have easily been a failure ended up being the perfect example of what has made our district be successful this year. We have worked together, and we refuse to give up. What could have been a lost year for students, has turned into a huge success for RSU 18. Thank you to the entire staff, our parents, our students and the community for helping make this happen.

Carl Gartley

January 4, 2021

The Kennebec County Sheriff's Office is pleased to make the following report regarding the services we provided to the people of Kennebec County in 2020. These services include the Law Enforcement Division, Corrections' Services, Civil Process, Court and Transport Division. We provided many regional assets to our communities including, Two K-9 Teams, Dive Team, Sex Offender Registry, Veterans Advocacy, Accident Reconstruction and Drug Recognition Experts(DRE).

I would like to begin by saying that 2020 was certainly a challenging and unusual year for all of us. COVID -19 changed all of our lifestyles and daily activities. It did not, however, change the fact that your Sheriff's Office continued to respond to calls for service as well as caring for the inmates incarcerated at our facility. In other words, it was business as usual for my staff. We just went about it a little differently.

In 2020, Law Enforcement Deputies in full-time and part-time capacity logged thousands of calls for service. There was a brief time of about three months from the middle of March to about the middle of June when calls for service were actually down, likely due to the COVID-19 outbreak. It was a welcome relief, as the threat of the viral infection was yet another caution our Deputies added to their daily routine.

Thanks to the Stanton Foundation, Kennebec received a \$25,000.00 grant to purchase another K-9. That grant paid for the dog (Brock) and all associated equipment training for Brocks handler, Deputy Zack Carey.

Since the beginning of the year, four new full-time patrol deputies have joined our ranks due to resignations or expansion of the division. Due to the State Police reducing their commitment to our call-sharing agreement, the Sheriff's Office has increased its patrol staff by three members.

The patrol division welcomes Phil Lynch, Brandon Van Wyk, Jordan Gaudet and Nathan Johnson. Deputy Lynch was a part time reserve deputy already working with us. Deputy Van Wyk came to us from the correctional division and Jordan Gaudet and Nathan Johnson were already certified full time officers and came to us from Hallowell PD. We will be bringing on two new deputies in January of 2021 to fill our roster.

Our Civil Process Deputies serve legal documents on behalf of attorneys, the courts, citizens, local, and state government, landlords and other entities. In 2020, the three civil deputies received over 6,876 requests for service in Kennebec County. Some of the services include, civil summons & complaints, foreclosures, evictions, small claims, child support notices from the State and enforcement of court orders and writs to name a few.

During the past year, our Correctional Facility managed 1920 inmate intakes. The offenses committed by defendants included everything from Trespass to Homicide. Substance abuse and the proper treatment of citizens with mental illness continue to be two primary concerns at the Correctional Facility.

Inmates at the Kennebec County Correctional Facility are asked to work and earn time off their sentences if applicable. Inmates who are considered to be a risk to the community work inside the facility cleaning and cooking, while others are supervised on outside projects. One may think that this only benefits the county, but it does not. It also benefits the inmate population as well.

We are committed to providing innovative programs to reduce crimes, assist victims, and to provide enhanced public safety. We acknowledge the ever-growing opiate addiction problem nationwide and have committed to partnerships at the Federal, State and Local levels to combat this problem. Our approach is aggressive enforcement, education, treatment and recovery for those afflicted with this horrible addiction.

I would like to thank all of my administrative staff who support the patrol division, detective division, correctional division and the civil deputies. The copious amounts of paperwork that is handled by these individuals is staggering and their work is greatly appreciated. Job well done by all.

As your Sheriff, and moving forward into 2021, my focus will remain steadfast in serving the people of Kennebec County and our visitor's.

Ken Mason, Sheriff
